## About Me:

I'm very calm, organized and i'm not afraid of hard work, I have a lot of patience, i'm good under pressure and i always get along with everyone.

I've worked in print and digital so i've done a bit of everything, I love to learn new things and i learn quickly.

I like graphic design but i love illustration :)

**I worked...**

### 2016-

**Graphic Designer in marketing department / Ilyon / Israel, Rosh a Haayn**  
**Game company for mobile (Bubble shooter, Cookie crush match 3, ...)**

During my work at Ilyion I created various elements for Playstore/Appstore (Icons, Screenshots and covers) occasionally work also included UI design, backgrounds, Marketing ads, repair or improvement of elements for various games.

### 2014-2016

**Graphic Designer in marketing department / Infiapps / Israel, Natanya**  
**Game company for mobile and Facebook (Slot bonanza, Panda slots, ...)**

In my work at Infiapps I created a variety of different marketing tools such as sale campaigns, Facebook posts and ads, email newsletters, push notifications, etc.

If necessary, work also included UI design, character design and backgrounds, game design, repair or improvement of elements sent from various studios, packaging design and business cards.

### 2013-2014

**Graphic Designer and Illustrator / ROTdan's Group / Israel, Kfar-Saba**  
**Import company of Alcoholic and Alcohol related products (Van gogh, Theo, ...)**

My work included creating and designing postcards, insert ads, Branding, package design, label design and posters.

### 2012-...

**Freelance**

I worked with a number of different companies from Israel and abroad, for whom I designed websites, flyers, logos, business cards, cartoons, charicatures, etc.

Here's a few companies I've worked with:

**Silk Flower Rentals \ Orgasnic \ Clipper israel \ Zohar Hateva Ltd**

### 2012

**Graphic designer / Dfus Orel (Orel print)**

During my work in print I had to solve problem quickly and efficiently, The work included preparing logos for print, simulations for custo mers and printers, silk screen printing.

### 2008-2011

**Graphic Designer / VSENSE / Israel, Herzeliya**  
**Business promoting company through social media**

At this company, I worked in the field of Web design. It included designing banners, logos and websites.
